My friend this time you've gone too far  
Can't stand the shit you put me through anymore  
The blow won't even see it coming  
The fear it's gonna send you running  
This time you're going down for good

Bridge:

Now it's clear tension grows  
Feel the pain fell the blow  
Take a chance roll the dice  
Disgust in my eyes

Chorus:

I'm gonna bring you down  
You're gonna be kissing the ground  
A broken shell of a man  
Your hide is mine!

My past soiled by the things you've done to me  
I cast a shadow you will have to see  
My grip is tightening around you  
I step on everything dear to you  
I guess this is it for you

Bridge:

Now it's clear tension grows  
Feel the pain fell the blow  
Take a chance roll the dice  
Disgust in my eyes

Chorus:

I'm gonna bring you down  
You're gonna be kissing the ground  
A broken shell of a man  
Your hide is mine!

I dream in retrospect to all this shit  
I wish I hadn't done the things I did  
Blood soiled my hands, regret is with me  
What's done is done, no way that I see  
To turn back to a better time

Bridge:

Now it's clear tension grows  
Feel the pain fell the blow  
Take a chance roll the dice  
Disgust in my eyes

Chorus:

I'm gonna bring you down  
You're gonna be kissing the ground  
A broken shell of a man  
Your hide is mine!
