Is it true?
The best years of my life are through
Snuffed out like my misspent youth
Is it true?

What's to prove?
Regurgitated shallow views
A sunset on a beach of ewes
"Baaa, baaa"

I'm not condoning such whining and moaning
Still ya gotta wonder sometimes when Solitude's your
only friend
And now was the time
To carry on, carry on, carry on

For the few
Among whom I was once when new
A misstep what was us
Is you
Show me truth

I'm not condoning such whining and moaning
Still ya gotta wonder sometimes when Solitude's your
only friend
And now was the time
To carry on, carry on, carry on

Could this be the end of
The need to defend love
That's all pretend
Start new

Yes it's the end of
The search for some light up above
You are the dove
Fly smooth emotions
Salted oceans
Dew

Fly smooth
