Tum aaye to hawaaon mein ek nasha hai
Tum aaye to fizaaron mein rang sa hai
Yeh rang saare hai bas tumhaare
Aur kya, aur kya, aur kya

Tum aaye to hawaaon mein ek nasha hai
Tum aaye to fizaaron mein rang sa hai
Yeh rang saare hai bas tumhaare
Aur kya, aur kya, aur kya

Eh hey hey, aah haa haa
Tum aaye ho to dekh lo
Naya naya sa lage yeh jahaan, ho
Haan haan haan haan haan, oh ho

Haseen haseen hai yeh zameen
Dhula dhula sa hai yeh aasmaan
Tum ho to hai yeh samaa
Aur kya, aur kya, aur kya, aur kya

Dhadak raha hai dil mera
Jhuki jhuki hai palkein yahan, ho
Haan haan haan haan haan, oh ho

Jo dil mein ho, woh keh bhi do
Ruki ruki si hai yeh daastan
Jazbaat maange zabaan
Aur kya, aur kya, aur kya, aur kya

Tum aaye to hawaaon mein ek nasha hai
Tum aaye to fizaaron mein rang sa hai

Yeh rang saare hai bas tumhaare

Aur kya, aur kya, aur kya
