Aashiq hoon main kaatil bhi hoon  
Sabke dilon mein shaamil bhi hoon  
Aashiq hoon main kaatil bhi hoon  
Sabke dilon mein shaamil bhi hoon  
Aashiq hoon main kaatil bhi hoon  
Sabke dilon mein shaamil bhi hoon  
Dil ko churaana neendein udaana  
Bas yehi mera kusoor  
Vaadon se apne mukarta nahin  
Marne se main kabhi darta nahin

Baadshah o baadshah  
Baadshah hey baadshah  
Baadshah o baadshah  
Baadshah

Aashiq hoon main kaatil bhi hoon  
Sabke dilon mein shaamil bhi hoon  
Dil ko churaana neendein udaana  
Bas yehi mera kusoor  
Vaadon se apne mukarta nahin  
Marne se main kabhi darta nahin

Baadshah o baadshah  
Baadshah hey baadshah  
Baadshah o baadshah  
Baadshah

Chaaron taraf hai mere hi charche  
Honthon pe hai bas mera naam  
Rangon bhari subah meri  
Masti mein doobi hai meri shaam  
Jhoothi kahaani sacchi lage  
Aawargi mujhe achchhi lage  
Naghme sunaana sabko nachaana  
Bas yehi mera kusoor  
Vaadon se apne mukarta nahin  
Marne se main kabhi darta nahin

Baadshah o baadshah  
Baadshah hey baadshah

Baadshah o baadshah  
Baadshah

Hai ye mohabbat kamzori meri  
Chaahat ki duniya pe mera raaj  
Bas rab ke aage jhukta mera sar  
Jhukte mere saamne takhto taaj  
Andaz mera sabse juda  
Main baadshahon ka baadshah  
Sapne sajaana hansna hansaana  
Bas yehi mera kusoor  
Vaadon se apne mukarta nahin  
Marne se main kabhi darta nahin

Baadshah o baadshah  
Baadshah hey baadshah  
Baadshah o baadshah  
Baadshah

Aashiq hoon main kaatil bhi hoon  
Sabke dilon mein shaamil bhi hoon  
Dil ko churaana neendein udaana  
Bas yehi mera kusoor  
Vaadon se apne mukarta nahin  
Marne se main kabhi darta nahin

Baadshah o baadshah  
Baadshah hey baadshah  
Baadshah o baadshah  
Baadshah

Baadshah o baadshah  
Baadshah hey baadshah  
Baadshah o baadshah  
Baadshah.
