(Baje jo bansi thama karo
Prem leela kiya karo)
Kishan ki radha bana karo
Mujhe kanhaiyya kaha karo
(Baje jo bansi thama karo
Prem leela kiya karo)
Kishan ki radha bana karo
Mujhe kanhaiyya kaha karo

Tumhe hamesha maine chaaha
Magar zuuban se kah na paaya
Sanam yeh such hai
Pal pal har pal
Nazar nazar mein tumko maanga
(Sagar ki lehronmein tum ho
Awara badal mein tum ho)
Saanson mein lehraya karo
Dhadkan tum ban jaya karo
Itna na sharmaya karo
Mujhe kanhaiyya kaha karo

Janam janam ka saath hai yeh
Yahi yaqienan baat hai
Nahi yeh jhooti baat yaara
Khuda bhi apni saath hai
(Suraj ke kirano mein tum ho
Saawan ki boondon mein tum hu)
Saamne jab aaya karo
Thooda sa tum tham jaya karo
Aise na etraya karo
Mujhe kanhaiyya kaha karo

Baje jo bansi thama karo
Prem leela kiya kar
Kishan ki radha bana karo
Mujhe kanhaiyya kaha karo
