Sapanon ke des mein palakon ki chhaanv mein
Pyaar ke naam ka vo jo ik mod hai
Haan usi mod par maine dekha tumhen
To mujhako laga
Tum to khilati kali tum ho chanchal kiran
Chhalaki chhalaki nadi mahaka mahaka chaman
Tumase hai taazagi tumase hai zindagi
To maine kaha
Haan haan ye pyaar hai
Aur ab to khulake mujhako ikaraar hai
Main deevaana hoon mujhe pyaar hai
Sun le dilaruba

Main to hairaan hoon kya kahu kya karoon
Zulf ya raat hai chehara ya chaandani
Honth ya phool hain baat ya raagini
Kise hai pata
Ai haseen ai haseen dilaruba dilanashiin
Mere dil men hai kya tum naheen jaanateen
Kabase kaamosh hoon sochata hoon kahu
Jo na kah saka
Haan haan ye pyaar hai
