Male:

Hey hey hey, hey hey hey hey
Yaad hai voh pehli mulaaqaat yaad hai
Yaad hai mujhe teri har ek baat yaad hai
Voh maheki raatein, saari saugaatein
Bheegi meri aankhon se aansu beh chale
(Kisse kuch puraane mil gaye
Rone ke bahaane mil gaye)
Mere toote dil mein koi khwaahish na rahi
Armaanon ke sab raaste soone pade
Kyon dua bhi meri bani aaj bad-dua
Yeh ehसाas chaahat ke sabhi chubhne lage
(Kisse kuch puraane mil gaye
Rone ke bahaane mil gaye)

Chorus:

Ga ni sa re sa ni sa ni sa ga, aah

Male:

Tujhe bhoole na bhi chaahoon to na bhula sakoon
Tu hi bata tere bina kaise rahoon
Tu jaane na sanam gham maine kya saha
Bikhre mere sapne zameen pe tootke
(Kisse kuch puraane mil gaye
Rone ke bahaane mil gaye)
Yaad hai voh pehli mulaaqaat yaad hai
Yaad hai mujhe teri har ek baat yaad hai
Voh maheki raatein, saari saugaatein
Bheegi meri aankhon se aansu beh chale
(Kisse kuch puraane mil gaye
Rone ke bahaane mil gaye)
