Here's the mystery of fitting in  
The drama of acceptance  
With the pretty girls and the tough guys  
It's easy to see why I'm so stressed out

There's forms to fill and fees to pay  
If you want to belong (there's a right way to talk)  
Handshakes smiles and the inside jokes  
I feel so left out when the punchline hits  
It comes in so fast and I'm so slow

I guess I don't understand  
I'm so confused  
I guess I don't understand  
'Cause you come in so fast and I'm so slow

I tell myself with friends like you who needs friends at  
all  
I'm fine with me and my ideas (but I still feel alone)  
They roll their eyes - I know just what that means  
It hangs in the air now, over my head  
It comes in so fast and I'm so slow

I guess I don't understand  
I'm so confused  
I guess I don't understand  
'Cause you come in so fast and I'm so slow

I guess I don't understand  
I'm so confused  
I guess I don't understand  
'Cause you come in so fast and I'm so slow  
And all I want is to belong  
But do I want to fit in with you?
