Dimensional pendulum of darkness
Of life and death
Behold
Curse ridden earth
Slow extinction
Dimensional pendulum of darkness
Of life and death
Behold
Evil exalted aloud
In this hell
You are enshrouded
Insidious infection
Demonic phase
Divine convulsion, revealing impure ways
Heaven singed, elements annexed
Evoked from the earth
Enslaving such feeble prey
Birth in Sodom
Create and burn
War takes place
Demoralised cleansing
Martyr's death
Echelons erupt
Spirits aflame with mortal intolerance
Pendulum of mammon scything
Astral dimensions arising
Godless victor emerging
On hell this world is verging
Curse ridden earth
Slow extinction
In darkness such fiery predictions
Evil flagellation
Tortured vow
In this hell
You are enshroud
Dimensional pendulum of darkness
Of life and death
Behold
Revel with spirits aflame
The forsaken shall engrave his abysmal name
Sublime flock to mammon
Hate for beings who bow in weakness

Slaughtered lambs
A mocking testament to the meek
Spiral down the twisted funeral
Worship and taste the sulphur
Terraformed dimensions for chaos
Only Armageddon could save us
Angel of darkness
Dissolve the fear
Celestial tyrant
I exhalt to defy the curse
I am the lightning streaking from the eyes
Crushing with thunder
Dispersing the lies
Mammon
