Predatory throne in black destiny
Diabolos rages in violent splendour
Sent to commence an age unbound
Driven like nails with the force of a hammer
Initiation of the hatred ceremony
To invoke long suffering slaughter
Savage lust
Necrosexual thrust
Shattered trust
Necrosexual thrust
Formation of concentrations acrid
Penetration crucifix
Satanic necrophilia
Incense smoke and putrid odour
Intoxicate and engorge
Bastardising religious order
Ravaged in an infernal forge
Ritual knife flays the body
Gratifying shedding of skin
Screaming conjurations
Climax
Perverse and rigid phallus
Rip the face off within the crypt
Forever paused in sardonic grin
To preserve a lugubrious death mask
And the pleasures that lie within
Unseeing eyes humiliated in rigor mortis
Misery seed
Penetrating the chaste
Fornication inside the mausoleum
Drink the rancid nectar
The flesh
Succulent after life
Suckling fluid from a trocar
Orgasmic in funeral surroundings
Imbibing the cold aura of death
Ravenous attraction to the blood purged
Lubricated orifices at my behest
Subconsciousness Â– the energy of death
Necromantic currents of transition
Disinterring corpses for disgraceful reburial
Ignoring the winds of lust leads to perdition
