When Mercury rises of the mighty icecold  
Mountains of the winterlands!

When Veles conquers Perun with the great  
Lance of Longinus!

Agnãm Æe purã³hitam  
Yajã±Ãisya devÃim tvÃjam  
Hã³tã ram ratnadhãçtamam

Bears witness to the rise of Shiva  
As the days grow no longer  
And the darkness sweeps  
Over the tombs of earth!

Is revealed this  
The prophecy psychopompos!

When Michael raped Saint Peter!  
ManannÃin mac Lir arises from the waters!  
Anubis guards no longer!  
Charon builds his colossal bridge!  
The Essence of Shinigami flows through

Complete and utter annihilation  
The suicide of all!  
And thus it creates itself!  
Forever stopping itself!

Azrael, Malak al-Maut  
Fusion with the sephirah of Malknut  
With Metatron!  
Bear down on the hopeless ones  
That are blessed with oblivion!

With beauty, aesthetical grace  
He ends all metaphysical equations  
And divides, the old man  
Rapes himself in the womb!

The tomb of existence  
The cosmic seed opens

And the Chamber of Guf  
Empties!

Ezra'eil, where all insects of this world die  
Under god's wrath!
