4:30 am I'm awake again,  
Singing to the dark through open eyes.  
While dreaming I see only you and me  
Stuck between desire and compromise.

If I said I want you back I'd be a liar  
There's nothing left of us to long for any more  
But inside the ashes burns an endless fire  
And every night I can't help reaching out for more

And I can't sleep, you're so far away from me,  
And I can't sleep, and I can't sleep (x2)

You're leaving these scars scattered round my hearth  
A road map of the places you have been.  
But I can't escape, can't wash this away  
When love has burned your mark so deep within

If I said I want you back I'd be a liar  
There's nothing left of us to long for any more  
But inside the ashes burns an endless fire  
And every night I can't help reaching out for more

And I can't sleep, you're so far away from me  
And I can't sleep, and I can't sleep. (x6)
