Call me
How will you call me
How will you call your fear
When lights will be fading?

Colours
Flares in the nothing
Take everything you've got
Sit down and be ready

Coming
Freaks will be coming
We're gonna burn it down
We'll stand up for our rights and
Nothing will stop us tomorrow

Nothing can stop our rage
Our revenge
Alert the media
And tell the world that it's beginning
Don't you try to hold down
Don't try to hold down...

Call me
How will you call me
How will you call your fear
When lights will be fading?

Coming
Freaks will be coming
We're gonna burn it down
We'll stand up for our rights and
Nothing will stop us tomorrow

Nothing can stop our rage
Our revenge
Alert the media
And tell the world that it's beginning
Don't you try to hold down
Don't try to hold down
The breed
You created

Is gettin' serious
The days have come for some turnover
Clocks are tickin' your time
They're tickin' your time
