Have you ever tried to raise a mountain?
It makes you wanna die
Don't you feel your time is running out?
You must be so damn high and
Disillusioned
Can't wait to watch you cry when
I'll be there
You'll kiss my feet and

I swear
I'll be telling you nothing
Not till your eyes break
I'll be giving you anything you look for

Have you ever tried to walk the distance
I've walked from where you are?
Don't you feel your time is running out?
It makes me feel this pain, I'm
Disenchanted
I'd like to see you there when
I'll be there
But till that moment

I swear
I'll be raising this mountain high till my hands break
I'll be running against this wind till my breath fades
I'll be breaking your limits, it begins now

High

I swear
I'll be raising this mountain high till my hands break
I'll be running against this wind till my breath fades
I'll be giving you anything you look for
