The sound of your hysterical cries  
Revives my colours  
I look into those beautiful eyes  
I wanna fill them with tears  
Maybe tonight  
We'll sleep easily in our tongues again  
The Libertines, this bitter-sweet  
You look so pretty, but I'm disconnected

"We don't like to cry"  
Didn't you say so?  
"We leave the shit behind our backs"  
Why should I deceive you?  
Don't take a chance to break me down, so

Give me up  
The scars I left you tomorrow won't be there  
Let go, I could suffocate  
Give me up  
You're looking for something you may never find in me  
Let go, let me breathe my air

Tomorrow you won't panic and I...  
You frozen widow...  
I won't pay the price of my lies  
I can't believe you left this all to me  
We're libertines, you're bitter-sweet  
You look so pretty, but I'm disconnected

"We don't like to cry"  
Didn't you say so?  
"We leave the shit behind our backs"  
Why should I deceive you?  
Don't take a chance to break me down, so

Give me up  
The scars I left you tomorrow won't be there  
Let go, I could suffocate  
Give me up  
You're looking for something you may never find in me  
Let go, let me breathe my air  
Breathe my air
