Am I dreaming  
Am I conscious?  
First question of the dead  
Searching for the truth  
But my mind remains unclear,  
Land of the damned!

No path to take,  
Endlessly confined  
In my final state,  
Forever anguished

Deceased or living?  
Next question of the dead  
Descending down to misery  
The Earth is scorched  
Land of the damned!

No path to take,  
Endlessly confined  
In my final state,  
Forever anguished

Eternal sun, infernal hell  
Forever here, I will dwell

Blistered, burned,  
Tormented, I'm dead

Conquered soul  
Diminished by torridity  
Human form is lost  
In the desert of infinity

Senses still remain  
There is no tranquility  
Trying to escape  
Will result in futility  
Deprived of any rest  
To wander for eternity  
Desolate and hopeless  
This is my calamity

God and Satan  
Are nothing but a falsity  
Sentenced by nature  
Welcome to reality

This is the end,  
No questions left to ask  
In my fateful agony  
No place for man  
Land of the damned
