Well, heaven help misguided disciples
Breads are like plastic
No ticker-tape parade
For mistakes we've made

Well, just let the ProPlus kid
Keep your feelings, hidden agendas
Let's reclaim this town
But don't let me down

Don't let me down
Let me down
Let me down
Let me down
Don't let me down
Let me down
Let me down
Don't let me down
Let me down
Well, we retaliate first
And we retaliate always
Well, this fight, this fight ain't over

Well, airbrushed blemishes
Walked off the premises
Would anyone care if we were washed away
By the tide today?
(I doubt it)

Don't let me drown
Let me drown
Let me drown
Let me drown
Don't let me drown
Let me drown
Let me drown
Don't let me drown
Let me drown
Well, we retaliate first
And we retaliate always (always)
Well this fight, this fight ain't over

Woo!

Yeah, we retaliate first
And we retaliate always (always)
Well this fight, this fight ain't over
(This fight, this fight ain't over)

Yeah, we retaliate first
And we retaliate always (always)
This fight, this fight ain't over
