Never alone  
Sticks fast to him  
As shadows loom ( ? )  
It tracks him everywhere he goes

Surgeon's hands  
The only way  
To free him from  
The one he begs will disappear

Feels free in his sleep ( ? ? ? )  
But there no such peace  
Waits for him to awake  
Laughs in his face  
Falls to his embrace

Never alone  
Says to him  
Shadows long  
Shadows everywhere  
False freedom is sleep ( ? ? ? )  
But there's no such peace  
Waits for him to wake  
Laughs in his face  
Falls to him  
False freedom is sleep ( ? ? ? )  
But there no such peace  
Waits for him to awake  
Laughs in his face  
Falls to his embrace

False freedom is sleep ( ? ? ? )  
But there's no such peace  
Waits for him to wake  
Laughs in his face  
Falls to him  
False freedom is sleep ( ? ? ? )  
But there no such peace  
Waits for him to awake  
Laughs in his face  
Falls to his embrace
