Hot coals, Hard nails, Walk to water, Grab the tiger's tail,
 Don't stop, Don't think, Dance your way around disaster's brink.
 Dance through the fire...
 Dance through the fire...
 Hard times, Cold sweat, Walk the plank without a safety net,
 Dead Duck, Bad news, Beat the crimes of which you stand accused.
 Dance through the fire...
 Dance through the fire...
 Hold on, Sit tight We never promised heaven overnight,
 Take heart, keep faith, Can't be long now till the storm must break.
 Dance through the fire...
 Dance through the fire...
 Dance through the fire...
