It was the summer of '93, I was down  
Did too much thinkin'. Too much drinkin'  
Dishwater brown, tall and fine  
You had a simple thing about ya,  
Couldn't live without ya  
We took the D train for uptown, never looked down  
But that was then, this is now,  
You drove me insane, but I didn't complain.

We had our thing now we're done  
But sometimes f\*ck just for fun  
And it's real cool, and it feels good  
Or at least it should.

Get out on your own girl, that's what they say  
I've been through feminist statistics  
A chick who said go holistic  
They don't know how sweet you sound when you say:  
"Hey girl, what time you coming round?"

I've work like a slave for it  
Turn all depraved for it  
Swim shore to shore for it  
Go out like a whore for it.  
'Cause when I'm down I'm doooooown  
What time you want me round?

We had a thing now we're done  
But sometimes f\*ck just for fun  
And it's real cool, and it feels good  
Or at least it should.

Do do doo do do do doo...

Check it, it was crazy  
And I was due on Monday  
He came home with no pain  
I said I'll go my way  
But I fell deeply, completely  
Since I don't know when,  
This happens over and over again.

Thing now we're done  
F\*ck just for fun  
And it's real cool, and it feels good  
Or at least it should

We had our thing now we're done  
But sometimes f\*ck just for fun  
And it's real cool, it feels good  
Or at least it should, it should.

Thing and now we're done, f\*ck me just for fun  
It's real real real cool.  
And it feels good, or at least it should.  
Thing and now we're done,  
F\*ck me just for fun  
Yeah yeah  
Ohhh...
