I wanna know  
What y'all got in your tiny little minds right now?  
On rare occasions  
I find myself troubled over that  
Is it true  
That you're all a bunch of scared weasels

You're maybe right  
Not as different as I might be  
And I decide  
My own wrong and right

I wanna show  
I made up my mind

I feel alright  
Around the bend  
I look around  
I can't see a thing

View expanding - I'm still here

I'm twisted and drugged  
No this ain't no call  
I'm twisted in love  
In love with a girl  
From my youth onwards up  
From my youth onwards down  
Sometimes it's coming up fast  
Yeah it's already in town

From my youth onwards up  
From my youth onwards down  
Sometimes it's coming up fast  
Yeah it's already in town

Pa pa padaa pa pa padaa pa pa padaa pa pa padam  
Pa pa padaa pa pa padaa pa pa padaa pa pa padam  
Down down down down down

Pa pa padaa pa pa padaa pa pa padaa pa pa padam  
Pa pa padaa pa pa padaa pa pa padaa pa pa padam

Down down down down down
