You can be the Penut Butter to my Jelly
You can be the butterfiles I feel in my belly
You can be the captin and I can be the first mate
You can be the chills I feel on the first date
You can be the hero and I can be the sidekick
You can be the tear that I cry if we ever split
You can be the rain when it's stormin or
You can be the sun when it shines in the morning
Don't know if I ever be without you cuz boy you complet
me
And in time I know that well both see that were all we
need
Cuz' your the apple to my pie (pie)
Ur the straw to my berry (berry)
Ur the smoke to my high (high)
You the one I wanna marry (marry)
Cuz ur the one for me (for me)
And I'm the one for you (for you)
You take the both of us and were the perfect 2
Were the perfect 2 were the perfect 2
Baby me and you were the perfect 2
You can be the prince and I can be the princess
You can be the sweet tooth and I can be the dentist
You can be the shoes and I can be the laces
You can be the heart that I spill on the pages
You can be the vadka and I can be the chaser
You can be the pencil and I can be the paper
You can be as cold as the winter whether
But I don't care as long as were together
Don't know if I ever be without you cuz boy you complet
me
And in time I know that well both see that were all we
need
Cuz' your the apple to my pie (pie)
Ur the straw to my berry (berry)
Ur the smoke to my high (high)
You the one I wanna marry (marry)
Cuz ur the one for me (for me)
And I'm the one for you (for you)
You take the both of us and were the perfect 2
Were the perfect 2 were the perfect 2
Baby me and you were the perfect 2

And you know that I think about ya
And ya know I can't live without ya
