jah loves u man
ever know jah needs u, woman
and to know the things u did
to him,
it makes u want to die.
for greatest love,
all u ever learned
is to love,
and be loved in return.
jah loves in return
why hate your brotha man
do the things to please jah woman,
do the right and not the wrong,
and b strong,
for u surely gonna die...
for greatest love,
all u ever learned
is to love,
and b loved in return.
jah loves in return (jah loves u man)
