In the winter darkness... through dark shadows of old...
!

Come thy winds of ancient
Summoned from beyond... !
Through ritual magic... rise through the flames... !

The curse unleashed... the earth is dammed...
Nothing remains destroyed by fire... !

Raising spirits through the rites of the moon...
Calling forth thy legions summoned from the night
realm... !

The curse unleashed... the earth is dammed...
Nothing remains destroyed by fire... !

The seals of demons set forth to rise...
The calling of infernal storms
Rise unto this realm... dragon of the abyss
With wings of fire... set forth your chaos... !

Through the rites of the fires... the winds have been
summoned...
Through the flames... the ancient dragon of darkness
shall rise again!

Opening the gates to the unknown... through rites of
the moon...
Calling upon thy legions... through flames and circle of
fire... !

Rise unto this realm... dragon of the abyss
With wings of fire... set forth your chaos... !
Through the rites of the fires the winds have been
summoned
Through the flames the ancient dragon of darkness
shall rise again... !

The curse unleashed... the earth is dammed...
Nothing remains destroyed by fire... !

In the winter darkness... through the dark shadows of

old... !
Come thy winds of ancient
Summoned from beyond...
Through ritual magic... rise through the flames
Ceremonial summonings... set forth now the winds... !
