It's the way I think not how I talk-- oh no
It's a pride you feel that makes you walk the walk -uh
huh
Come Sunday morning palms up in praise-- yeah
It's all about my mama 'nem
And how I was raised--uh huh

It's a state of mind no matter where you're from
Living like your grandma done
Cause good home training ain't a common thing -no
If this is who you are, let me hear you say

oh

Chorus:

MMHMM

You don't have to be a Georgia peach from Savannah
Beach to say

MMHMM

From Arkansas to appreciate a Southern drawl

MMHMM

Don't need no kin from West Virginia to have it in ya

MMHMM

Show the world--

You're a country girl

I'm the kind of girl says it with a smile-- oh yeah
That sweet as molasses down home style
I'm whatcha might call real corn fed
Oh yeah I'm a country girl born and bred

It's a state of mind no matter where you're from
Living like your grandma done
Cause good home training ain't a common thing --no
no

If this is who you are, let me hear you say

oh

MMHMM

You don't have to be a Georgia peach from Savannah
Beach to say

MMHMM
From Arkansas to appreciate a Southern drawl
MMHMM
Don't need no kin from West Virginia to have it in ya
MMHMM
Show the world--
You're a country girl

Ladies if you understand
Let me hear you all clap your hands
(clap, clap your hands)
if you hear me and you know you're bad
Let me hear you all clap your hands

Ladies if you understand
Let me hear you all clap your hands yeah
(hear you all clap your hands)
if you hear me and you know you're bad
All you country girls clap your hands

MMHMM
You don't have to be a Georgia peach from Savannah
Beach to say
MMHMM
From Arkansas to appreciate a Southern drawl
MMHMM
Don't need no kin from West Virginia to have it in ya
MMHMM
Show the world--
You're a country girl

MMHMM
If you wanna be a Georgia peach from Savannah Beach
to say
MMHMM
From Arkansas then sing it with a Southern drawl
MMHMM
Don't need no kin from West Virginia to have it in ya
MMHMM
Show the world--
You're a country girl
