Knew when to pack it in
Admit it's over
And I knew when to stop callin' him at all
And I knew when to stop cryin'
On my momma's shoulders
And when to spend away my blues
On new shoes at the mall

Chorus:
Oh I did my part
Held up my end of the bargain
Stopped all my whinin'
Stopped throwin' fits and ÅçÂ€Â! Well I'm losin' my patience
And I'm so tired of waitin'
Cause hurt don't know when to quit

It's got a mind of its own
It won't listen
No matter if I beg and plead
Or if I scream and shout
Mm sometimes I think it's all so cruel
To lock me up inside these tears
And never let me out

Chorus

No it don't
No it don't, no

Chorus

Oh yeah
Stopped all my whinin'
Stopped throwin' fits oh
Well I'm losin' my patience
And I'm so tired of waitin'
Cause hurt don't know when to quit
