Feel so guilty about your love
What I feel is not enough
I'm close to you like a friend
More than that is just pretend
And there's a part of me
That loves to know I have your heart
That's the selfish part

I can see your heart breakin'
Like you know it's gonna end
Cause I can't love you like a woman
And you can't love me like a friend

No you'll never say good bye
No it's up to me and lord knows I've tried
But I need you to love me
So I stay
Though I know it hurts you with every passing day
Yeah

Someday I'll do what's right
And let you move on with our life
Cause lookin' in your eyes
I can see your heart breakin'
Like you know it's gonna end
Cause I can't love you like a woman
And you can't love me like a friend

No no no, no no no, no
Oh
Someday I'll do what's right and let you move on with
your life
Cause lookin' in your eyes
I can see your heart breakin'
Like it's never gonna end
Uh huh
Yeah

Cause I can't love you like a woman
You can't love me like a friend
I'm never gonna love you like a woman
You can't love me like a friend

Cause I can't love you like a woman
Can you love me like a friend?
