I am sitting here
Looking out for you
I am sitting here
Waiting for you
In my head here burn a fire
I sing this song for my desire
In my head here burn a fire
I sing this song for my desire

What is the reason
What is the sense
There's no no an answer
There's no no a sense

That's no no solution
I have to live
With this great confusion
I can't realize

I am sitting here
Looking out for you
I am sitting here
Waiting for you

In my head burn a fire
I sing this song for my desire
In my head burn a fire
I sing this song for my desire
