

Accessory "Mastermind"

Visit "[Mastermind](#)" on MotoLyrics.com

The fearless mastermind
Hidden in the corner
Muses on the world
Seems to be a learner

Unexpected mastermind
Is doubtful of the show
Complains undiscovered
Out of the last row

The rigid mastermind
Denies every fashion
Is distrustful of
Insecure possession

Lonely mastermind
Ignored by the crowd
Pays tribute to disorder
And crosses the bound

No functional identity
A stain in human gear
Lingers on one second
Born to disappear
