Idol of Harloty  
Brazen triumph of flesh  
Conquering the bloodless  
Obesience rendered at the  
Altar of sodom

And in the shadow of the  
Seven heads I stand before her  
I render blessings unto Babylon  
A horror cloaked in desires form  
Blessings unto Babylon

Blessings to them  
On their throne  
To the throne of them we bow...

Hiding your face in your shame  
Repelled yet aroused by what  
You've become

Abasing yourself before her  
Adrift in your sea of debaucherous  
Pleasures  
Idols all rendered absurd  
Yet reason remains,  
The better to muck you  
Contrition is rendered obsolete  
Rutting before her image  
As flesh betrays all higher aspirations
