Your lights are on, but you're not home

Your mind is not your own

Your heart sweats, your body shakes

Another kiss is what it takes

You can't sleep, you can't eat

There's no doubt, you're in deep

Your throat is tight, you can't breathe

Another kiss is all you need

Ohh oohh

you like to think that you're immune to the stuff

It's closer to the truth to say you can't get enough

you know you're gonna have to face it

you're addicted to love

You see the signs, but you can't read

You're runnin' at a different speed

Your heart beats in double time

Another kiss and you'll be mine, a one track mind

You can't be saved

Oblivion is all you crave

If there's some left for you

You don't mind if you do

Ohh oohh

You like to think that you're immune to the stuff

It's closer to the truth to say you can't get enough,

you know you're gonna have to face it

you're addicted to love

Might as well face it, you're addicted to love(5x)

Your lights are on, but you're not home

Your will is not your own

You're heart sweats and teeth grind

Another kiss and you'll be mine

Ohh oohh

you like to think that you're immune to the stuff

It's closer to the truth to say you can't get enough

you know you're gonna have to face it

you're addicted to love

Might as well face it, you're addicted to love(5x)
