The Time (The Time is Now)  
The Prophecy is Time  
(The End cannot be stopped):  
The Humankind, the mortalkind,  
The corpsekind is rotting.  
The Beast shakes his seven heads.  
The Great Harlot moans in  
Orgasmic delight!  
I am the bagonet - I am the mutated gene  
I am the Super Nova of your society.  
I will Rule the New World Order.  
I will Rule wearing a crown of skulla.  
I will Rule trampling your meek Jesus.  
I will Rule sucking Mohamed's life.  
I will Rule destroying Yehoba's throne.  
I am the New Antichrist.  
I am the Master of Horror.  
My time has come.

IN FRONT OF ME, RISES ETERNITY  
BEHIND ME, GLORY  
ON MY LEFT, RISE POWER  
ON MY RIGHT, DELIGHT  
ABOVE ME, EDELYERNA  
FOR I am THE FLAMING PENTAGRAM  
AND THE HARBRINGER OF DISCORD!
