V1) I step up in the club, lookin kinda mysterious.
Me and my girls hit the bar; time to get delirious.

Vb) I ain't easy or sleazy; aint freaky; but don't tease
me cuz you know no other girls
Can put it down like me! Yes, I'm delicious, with a rep
for being vicious.
In the mood for causing damage.{whoa}
We settin fires in the back of the club, oh.

HOOK) In the heat of the night the animal inside...
comes alive!
Ohoh, when behavior collides...
{in the middle of the night}
I lose control; lose control.
In the heat of the night the animal inside... comes alive!

V2) Ohohoh, if you look like Beyonce or Gabourey
Sidibe it's alright just GET LIKE ME!
(Keep sippin; dancin, drink in hand!)
