

## Acid Reign "Blind Aggression"

Visit "[Blind Aggression](#)" on MotoLyrics.com

You FEAR colour and difference  
Try to keep your world pure  
Shut our your ignorance  
And hide behind your mask  
Like Hitler 1940 you ignore sense  
Some divine right to eliminate  
Teach your young what is right  
Breeds the blind for another year

### CHORUS

Behind the mask - Blind religion  
- Blind attitude  
- Blind beliefs  
- Blind aggression

### BRIDGE

Blind racism  
Blind religion  
Blind attitude  
Blind beliefs  
Blind aggression  
Blind destruction  
Blind violence  
Blind murder  
Blind people

The more people change  
The more they stay the same  
Madmen out for some fun  
Don't mind the pain they cause  
The tip of the iceberg

The crust of the meaning  
When you get to the bottom  
FEAR is what they FEAR

Chorus  
Bridge

Don't you see the truth?  
No-one wins in a race war  
Prove to me colour is wrong

Before I burn your hood

March in the only colour  
That you understand/understand  
Challenge the future  
Defy the past, defy the past

What is pure?  
What is pollution?  
Where do you  
Draw the line, draw the line?

Never underestimate the power  
Of a peaceful man  
Draw me your line of death  
So I believe that it's real

Blind religion  
Blind attitude  
Blind beliefs  
Blind aggression
