Money, money is all you want  
Lots of the green motivation  
Your only intention is corruption  
Use innocence to line your pocket  
You wear that face so well  
Who knows how many you've got  
Smiling your way to the bank  
Is the only pleasure that you have

### PRE-CHORUS:

Your only talent  
Is for deception  
I'll remember  
To forget you  
Bleeding people  
Like a sponge  
Get your needs  
And fill your account

Your disease has no class  
It eats away at anyone  
The bigger they were or are  
The more casualties will fall  
One man's hand  
Moves so many important mouths  
Not quite sure what you want  
Control will have to do for now

### REPEAT PRE-CHORUS

### CHORUS:

Never get caught  
Always someone there  
Waiting to protect you  
Cover up your tracks  
Run your business  
Invoices clean  
Money just appears  
From your hands

Nothing has ever stopped you  
I FEAR it never will

Buying your way through life  
And never falling in debt  
Guilt is something you don't know  
And have never understood  
Just keep building your playground  
And don't let anyone in

BRIDGE:

Money

Money

Money

Money

Money - Is all you want

Control - Is all you want

Debt - Is what you'll never have

Happiness - Is what you'll never have

REPEAT CHORUS
