Pitch Dark Night
Awash With Fright
The Witchblood Cult
Is Out Tonight

Roam The Streets
For Lonesome Souls
Bashed Over the Head
Drained of Blood
And Left For Dead

Witchblood Cult Is
Out Tonight
Villagers Lock
Their Houses Tight
Witchblood Cult Is

On The Prowl
With Lust and Rage
They Kill and Howl

Their BloodQueen Master
Awaits Their Return
From Her Dark Bastion
The Cults Inner Sanctum

Well My Children
What Do You Bring
Nourish Your Goddess
Let The Ceremony Begin
