Across the Border - Basque King Song

Come on my friend now take my hand  
Let's fly like birds across this land  
And shit on all these heads we never liked  
Let's spread and swing lika a feathered wing  
Whistle this song a free bird sings  
A cloud will be a wedding bed tonight  
TONIGHT...

Won't say "Goodbye", no need to cry  
No tear will shine in our eyes  
We leave this land and all its rain behind  
It's time to sin, to brown our skin  
Get drunk with Sangria, wine and Gin  
And make love on the first beach we'll find  
TONIGHT...

I lay my ear now close and near  
On your naked skin to feel and hear  
Your hartbeat and the dreams your blood tells me  
Threwed the last pence in a wishing well  
Nothing left to loose, to buy or sell  
I feel your smile and find your hands in mine  
TONIGHT...
