I don't want to share my freedom with your laws,  
they were made to rule us and to buy them like old  
whores  
to keep us quite, to keep us upright in a controlled line,  
but life is boring, Sir, without committing a crime.

I don't want to share my rights, my culture and  
freedom with your laws.  
They were made to rule and command and to fight  
your internal wars.  
To keep us upright and quite, to keep us in a controlled  
line.  
But life is too boring for me without committing a so  
called crime.  
Jayah, jayah, jayah, jayah, jayah

Silence in court!  
I don't want to share my freedom with your laws,  
they were made to rule us and to buy them like old  
whores  
to keep us quite, to keep us upright in a controlled line,  
but life is boring, Sir, without committing a crime.

What you call committing a crime is for some a fight to  
survive.  
Did you ever really feel cold, have you been hungry  
once in your life?  
I'm sick of your justice and courts and the way you spell  
DEMOCRACY.  
Here and nor I declare myself to be stateless, outlawed  
and free.  
Jayah, jayah, jayah, jayah, jayah

Silence in court!  
I don't want to share my freedom with your laws,  
they were made to rule us and to buy them like old  
whores  
to keep us quite, to keep us upright in a controlled line,  
but life is boring, Sir, without committing a crime.
