"Faraway"

Probleme werden nicht gelöst, indem man davonrennt und Drogen in sich hineinschüttet.

Faraway run, run Johnny, faraway
faraway run, run Johnny, faraway
but not today, not tomorrow or any other day
will you find a solution if you only run away

Now I wanna sing a song
of a good old friend of mine
yes, the time we spent together was real fine
years ago he had a girl and she said,
Johnny go away
and he tried to solve this problem
with twenty beers a day
twenty beers a day

Johnny found his own world in his room alone
he built a wall around his heart, made of stone
many times I called by,
I said "Johnny take my hand"
he just reached another beer
he lost his job, maybe his friend
he lost his job, maybe his friend
