Well, my name is soldier John
And forgotten is my grave
I fought for my loved country
And I died young and brave

Follow your girl, follow your girl,
don' t follow the call of a general

My girl said: please don' t go
when I was leaving the town
some of us never came back
for god and for the crown

Follow your girl...

Weeds grow on his grave
Watered by my tears
Why didn' t he follow me
Why did he block his ears?

Follow your girl...
