

## Across The Border

### "Glad to Know"

The most important thing on earth  
for you is the purse you hold  
But in fact the purse holds you  
doesn't let you go, it's the curse of gold

Look at you, sad but true, I'm glad to know  
That I can go where I want....GO!

You live to work to earn: a modern slave  
Your dreams are sold  
Move and more and more and more and more  
It's the cause of gold

Look at you, sad but true  
With not a few in a queue  
Look at you, sad but true  
That I can go where I want....GO!!

Forever Across the Border!!!!
