Die Kirchengemeinden häufen sich und die
Umsatzzahlen der Bibelverkäufer gehen zurück.
Die Kirche wundert sich warum. Man kann die Wahrheit
nicht mit Lügen verkaufen.

In these dark and modern days, I can see their
different ways
trying to bring us the light, turning black sheep into
white
still the same old holy song, preaching me what's right
or wrong
on and on and on, going on and...

On and on, on their last crusade

Preacher can you feel the fear, waterman is coming
here
too many years of bleeding eyes, you ruled with power,
pain and lies
still the same old holy song, preaching me what's right
or wrong
on and on and on, going on and...

On and on, on their last crusade
