Menschen aller Welt, vereinigt euch, jetzt und hier!

Allright we came to dance and sing
we all are pilgrims of love
no one can tell us what to do
free as the birds high above
the only law that we respect
is called humanity
free as the birds and wild as the sea

Open your heart and your mind
tonight we have the chance
when we dance around the fire
dancing round and clapping hands
we all are different, but the same
all of us can be friends
tonight we dance the dance

Tonight we dance the dance, don' t fight
no violence, all right, come dance the dance tonight
tonight we dance the dance, inside
more tolerance, allright, come dance the dance
don' t fight tonight

Allright we came to dance and sing
we all are pilgrims of love
no one can tell us what to do
free as the birds high above
the only law that we respect
is called humanity
free as the birds and wild as the sea

Open your heart and your mind
tonight we have the chance
when we dance around the fire
dancing round and clapping hands
we all are different, but the same
all of us can be friends
tonight we dance the dance

Tonight...
