20. Juli 1995. Die deutsche Fahne auf halbmast. Der Bundespräsident ehrt in einer Fernsehansprache die Hitler- Attentäter des 20. Juli 1944 und ruft zu mehr Zivil- Courage gegen Rassismus und Neofaschismus auf. Gleichzeitig werden Antifa- Organisationen oder einzelne Antifaschisten vor seinen Gerichten für ihren Aktionismus kriminalisiert.

Every year on the 20th of July our flag is raised high in the air
a man on telly speaks of "fighting Nazis" with dried egg in his hair

And behind bars- some people are rotting on remand
and behind bars- some people don' t know what they have done
and behind bars- some people are waiting for the sun
what a farce, what a farce
don' t believe what he says, don' t wait for his help, you will stay alone

On this day he honours the offenders of the old forgotten days
same time courts criminalize anti- fascists in the same old way

And behind bars...

And behind bars...
