### "You Squat My Heart"

There are some girls in our life  
I say everybody knows  
I used to live a single life,  
till I met on of those  
she said "Hello", I nearly died  
I say, the beauty of a rose  
one of those like a rose,  
I say, everybody knows  
everybody knows...

You squat my heart, everytime I look in your eyes  
you squat my heart, even if you tell me lies  
you squat my heart, like a bird a tree  
you squat my heart, is this my destiny?  
(What a stupid song!)
