You are gifted  
You are golden  
The veil is lifted from my eyes  
Speak to me in words unspoken  
And I no longer have to hide

Now I know I'm going back to Fairborn  
Now I know it's where I gotta' be  
And the road I'm walking down  
Goes on and on and on and on and on in front of me

In times of trouble  
In times of worry  
I am safe and I am sound  
Cause I have love to travel with me  
And no fear to tie me down

Now I know I'm going back to Boston

Now I know it's where I gotta' be  
And the road I'm walking down  
Goes on and on and on and on and on in front of me

When I was younger  
I had a vision  
I was a child with childlike faith  
No analyzing  
No indecision  
Nothing standing in my way

So now I'll go back to Minnesota  
Now I'll go where I gotta' be  
And the road I'm walking down  
Goes on and on and on and on and on in front of me
