I don't know myself  
I'll fed up, You'll fed up with me  
Can't you hear my voice?  
Like a crying baby, I'm calling you

Nagai tameiki no hate ni nokosareta gimonfu wa mou  
kesenakute

Nani wo mite waratte, nani wo mite naku no ka tou ni  
wasureta sa  
Tobikau jouhou mo ataerareru kotoba, hoshiku wa nai

I don't know myself  
I'll fed up, You'll fed up with me  
Can't you hear my voice?  
Saa kite kure  
Nagaku, amai rensa no naka de bokutachi wa ima  
musubareteita DNA

Kono me de uketomeru subete machigai janai,  
hitsuzen dato wa ienai

Nani wo shinjiru no ka, nani wo aisuru no ka dou demo  
ii sa  
Boku wa koko ni atte, iki wo shite ikiteru sore ja dame  
kai?

Ima, idenshi wo narase

I don't know myself  
I'll fed up, You'll fed up with me  
Can't you hear my voice?  
Saa kite kure  
Nagaku, amai rensa no naka de bokutachi wa ima  
musubareteita DNA
