I'm not forgotten, even now
I think of better days and better life
I hope you will have better days by yourself

Mujakina hodo ni harewataru sora konna sora ni
omoide ga aru
Koukai nanoka donna kimochi ka wakaranai kedo mune
ga itamu

Mada gaki no koro no koto
Chiisana tanomoshii yatsu datta
Kogoesouna yoru omae wa nagai yume ni tabitatta
Sukidatta bashou de maru de nemuru you ni
yasurakana kao de

When I was in fifteen—A door that I forgot was
opened
It was cold to be death in the season of winter
Because it couldn't come back
It could begin to close outside
Time has already delayed since the sun rises

Donna mikeneko wo mitemo omoide shite shimau ima
demo

I'm not forgotten, even now
I think of better days and better life
If you alive,
I can be something that can wish for you
Live in happy with the smile
Are you watching it?

Apologize tsutaetai
Kono omoi zutto
Regret ima mo
Kotae nante miataranakute
Tell your feeling for me
Tell me, what should I do?
Imasara Kiitemo imi nai
Koto bakari wo shikurikasu
Yume no ato de
