Yeah, a wonderful show started  
Hey, stupid, are you ready ?  
Never stop by no one anymore  
Anyway, festival begins from now on

I want to say, I am not a RD  
Without a BN calling me

RADDOna EDITION de teion wo narasu

I want to be hero, no trouble is minded  
Even if it's hated by you  
"Hey girl"  
Call me right now, but I will not hear it  
I can't care about such thing

Say here, inochi kareochiru made

As for me, all becomes sad once in a while

I want to say, I am not a RD  
Without a BN calling me

SHAKE shite oide  
Nagai ko wa neru jikan  
I want to be hero, don't mind any trouble happens  
Even if it's hated by you  
"Hey, girl"  
Call me right now, but I will not hear it  
I can't care about such thing

Say here,[DATTE SAITAMA DAMON... ]
