So many lies, so much pain. miminari wa tomaranai
Hitori no yoru no oto ga shizuka de
Searching for Raison d'Être*. hakushi no hitonami ni
Gokusai no penki wo mochi aruku

Itsukaraka nani mo kanjinaku natta

And cry, with love wasureteru hazu sa
Guree ni somatta sekai ga riaru janai to
Nemutte mo nemutte mo asa wa konai kara
Ima kono te de kagi wo akeyou

Black or white, jewel or stone.
Muryokusa ga itoshikute
Muryoku nara dareka wo motomeru kara
Please save me, with a white rose. itami wo wakeaeru,
Sou dekiru tsuyosa ga hoshii

"kitaisuru koto wo wasureta kimi e"

And cry, with love dakara tsutaetai
Kanashii uta mo kesshite mudajanai to
Nemutte mo nemutte mo asa wa konai kara
Ima kono te de kagi wo akeyou

Doredake iro wo kasanete mo
Somaru koto no nai ore de iyou

And cry, with love wasureteru hazu sa
Guree ni somatta sekai ga riaru janai to
Nemutte mo nemutte mo asa wa konai kara
Ima kono te de kagi wo akeyou
